The Way is Perfect
by David M. Valadez

Deshi: In this day and age, what use does the Martial Way serve?

Sensei: The same it has always served.

Deshi: How can that be?

Sensei: It can be because that which it addresses is infinite, as infinite as we are in our connection to it.

Deshi: Is this then not about fighting?

Sensei: No, it is not.

Deshi: Is this then about spiritual matters?

Sensei: No, it is not.

Deshi: Shall I then make no question - make no divisions between the two?

Sensei: Yes, that is so.

Deshi: Well, then what is there left to say?

Sensei: Exactly.

Deshi: Have we then been served well by this Way?

Sensei: As Man always has - perfectly.
